

UCR Health and School of Medicine Appointments

July 15, 2019

Dear Campus Community,

I am pleased to announce that Dr. Don Larsen has been appointed Chief Executive Officer (CEO) of UCR Health, following approval by the UC Board of Regents.

Dr. Larsen comes to us from Providence Saint John's Health Center in Santa Monica, where he served as Chief Medical Officer of the Health Center and as Executive Director of the John Wayne Cancer Institute. He received his MD from Chicago Medical School, Rosalind Franklin University of Medicine and Science, and completed his residency training in Diagnostic Radiology at LA County USC Medical Center. He holds an MBA from the USC Marshall School of Business, and an MHA from the USC Price School of Public Policy.

In addition, Dr. Deborah Deas, the Mark and Pamela Rubin Dean of the UCR School of Medicine, has been concurrently appointed Vice Chancellor for Health Sciences. This dual title better aligns our structure with the rest of the UC system.

Sincerely,

Kim A. Wilcox
Chancellor
