Culture:

Our entire culture is built around student success and research excellence.

At UCR we aren’t trying to balance a “playing field.”

We’re building the field from the ground up to reflect the needs of our students.
Culture:

- Research mission
- Data-driven culture of evidence
- Student-centered
- Deliberate focus on equity
- Continuous improvement
People:

Our staff and faculty come to UCR to work with our diverse and inclusive students.

Nobel Laureates can go anywhere in the world to teach, ours chose UCR because of our people.
People:

- Students
- Staff
- Faculty
- Leadership
- Community
Programs:

Programs can only be as good as the cultures and people who implement and utilize them.

UCR’s student success programs reflect our commitment.
